A PRACTICE HAND OR ON YOUR OWN HAND.
Sunday 10 SEPTEMBER 2023 IN PARIS
Sunday 26 NOVEMBER 2023 IN LYON

Check-in: IN PARIS: 9:30 a.m. in the competition area

Start of the event 9:45 am End of the event 11:45 am (2 hours)

Check-in: In LYON: 10 H in the morning Start of the event 10:30 am End of the event 12:30 pm (2 hours)

1. SUBJECT

Make 5 nail extensions, STILETTO shape in gel, OR acrylic OR acrygel, in total cover, with shaped papers, ONLY on a silicone training hand, or on your own hand. **Models are not allowed.**

STILETTO Shaped nails will be created in total cover at home, on **the thumb and the pinkie (little finger)**

They will be stuck on the hand during the test and will be covered with the same color, of your choice, in gel paint, and without any nail art.

NAIL ART THEME: MUSIC.

The 3 fingers: **INDEX, MIDDLE AND RING** will be built on site. For competitors who use the training hands, it is authorized to remove the extensions from the hand to perform, file them, and glue them back on the hand, when the filing is finished.

It's authorized to prepare a maximum of 3 Elements in 3D, at home.

2. STILETTO SHAPE. The set will be elegant and refined. The shape papers will be cut, lined, and placed before the start of the event.

3. AUTHORIZED PRODUCTS and MANDATORY MATERIALS.

A training hand only in silicone and identical to real hands, for competitors, who do not perform the work on themselves. To create the structure of the nails in Gel OR in acrygel OR in acrylic.

The structure must imperatively be created with the same material.

IN GEL, OR IN ACRYLIC, OR IN ACRYGEL: Only Cover Pink is authorized.

1 gel paint of the same color, for the thumb and the little finger (Pinkie)

All nail art products are allowed for other nails. Table lamp(s) and UV/LED lamp(s). Adapter, for French electrical outlet. All consumables, equipment, and materials necessary for the realization of a nail application and its nailart: disinfectant, mask, gloves, cottons, paper towels, towel, hand rest, brushes, files, papers shapes, bowl, water. Airbrush is allowed.

The sander (the drill) is allowed. A pair of scissors. All the tools, and pliers to pincher. All types of files, and buffers, polishing file. All types of reinforcements, to be placed under the form paper, a bowl, a bottle of water, a roll of paper, cleaning wipes, alcohol-free and oil-free.

4. SIZES

The proportions are measured from the center of the cuticle to the end of the tip of the structure. The MINIMUM total length on each nail will be 60mm (6cm) minimum and 70mm (7cm) maximum, and will be identical, on all 5 nails. Maximum nail art height: 15 millimeters. (1.5cm)

5 PROHIBITIONS

It is forbidden: to create the structure from acrygel and gel and acrylic. The structure must imperatively be created with the same material on the 5 nails. To use training hands made of plastic or wood or not in conformity with what is imposed.

- To use white or sequined covers. To create an artificial moon. To use tips or any other capsule. - Not respecting the proportions of the construction. To present products on the table, unlabelled. Stickers, stampings, decals, luminous elements, are PROHIBITED.

- Not to respect the rule of this event and the general rule. To publish their note sheets on social networks. Smoking, eating, drinking alcohol, in the competition area. To use lighters, matches.

To use electronic cigarettes, connected watches, telephone, tablets, earphones, ipad or any other computer or new technology device, on the competition area, for the competitor, throughout the duration of the competition, and this until the end of judgment, of all work. To contact the judges privately, after the competition, to discuss or dispute the scores received.

- Immediate disqualification of the competitor for the following points:
